AI for Educators

Received **AI for educators** trophy.

Master Teams

Received **Master Microsoft Teams for any learning environment** trophy.

Sharing

How did you **share** your learnings with educators and school leaders this past year? Provide details of what you shared and the impact on educator(s) /leader(s).

*They want **detailed responses** that fully answer the questions that **clearly come from you** and not from a generative AI tool.*

Go-To Person

I am the “go-to” person for:

For the tool/topic listed above, **share a story** of how you have supported someone in this area.

Giving back

Describe how you **gave back** to the MIE Expert community this past year.

*Use fellow educators to help you **review** your **answers**.*

Microsoft Educator

Received **Microsoft Educator academy** trophy.

21st century learning design

Received **21st century learning design** trophy.

Engaging with the MIEE Community 2024-2025

Share **THREE** concrete ways **you** will **engage** in **your MIE Expert Community** in the next 12 months.

Microsoft Learn Achievements

Check each of the Learning Pathways are represented on the Achievements page before submitting the **URL**.

Collaboration Tools

What **Microsoft tools** do you use to **collaborate** with your colleagues and/or learners? **Describe** what **value** these **tools** add to you and your colleagues/learners?

Generative AI

You need to know and use generative AI. Describe a **personal example** of how you used generative AI to help you in your work.
